electrive portrait

electrive has been accompanying the **development of electric mobility** with journalistic passion and expertise since 2013. Besides the standard **news production**, other formats like exclusive **car reviews**, background information, and **interviews** found their way into our media portfolio.

Our platform is an attractive **advertising environment** on which the industry can ideally spread its **B2B messages**. Even interested end customers also find their way to electrive, which opens up the opportunity for exciting **B2B2C campaigns**.
